

WEEKLY OPS RECAP

QUARTER 2, WEEK 10
6/3/2024 - 6/9/2024

OPERATIONS

REMARKABLE SPACES PSA - CUSTOMER AREAS: Each time someone enters our space, we are hosting them. At SCC, each of us commits to providing a Remarkable experience for our guests - floor to ceiling, entrance to exit. Each shift, level up your space and give extra attention and care to these areas:

- VESTIBULES & ENTRANCES - throughout the day:
 - Sweep to remove leaves, dirt and debris
 - Windex doors & glass
 - Dust and wipe surfaces, ledges, sills and baseboards
- SEATING - work in zones during shifts each day to address all areas
 - Wipe customer seating, between and behind benches, etc
 - Wipe table bases, and move tables to sweep behind/underneath
 - Straighten & reset patio and interior chairs/tables frequently. Adjust wobbly tables, and place MRs for damaged seating elements.
- WALLS - these oft-forgotten surfaces need care too! Work in sections to address each area.
 - Use a mild detergent (simple green, or dish soap+water) and a clean towel to remove smudges & stains
 - For stubborn coffee stains, use a magic eraser
 - Take note of damage that needs patching & painting to repair. Coaches, place MR for wall repair needs.

MOROCCAN MINT TEA: This will be replacing Maghreb Mint Tea when you are out in cafe. This is available to order in LIVE when you are getting low on Maghreb Mint.

- Tea Tins and Tea Notification Sheet will be arriving in cafe by June 13th. Hold on to these until you are ready to swap to Moroccan Mint.
- When you switch to Moroccan Mint please send your old Maghreb Mint tea tin to HKT with return slip. Let Harmony know so the menu board vinyl can be updated in your cafe.
- Reach out to Harmony with any other questions.

OPERATIONS

6/16 FATHER'S DAY: To celebrate dad, we'll be giving a free small 12oz coffee to all dads (or \$2.75 towards their drink of choice). Ring this up in Square using the "Free Coffee (Or \$2.75 off) Promo" Coupon. This is not applicable on our mobile app and one per person. In the event a customer's order is below the minimum and they do not have cash, please "Other Coupon" the remaining \$0.25. Cafes, please make a small chalkboard sign that states "\$1 minimum required for credit card purchases" to put up on Father's Day. Please note that if someone wants to claim this deal, let them claim it. Don't inquire if they are a dad, just give them the deal no questions asked.

JUNE NSL WORKSHOP DETAILS: Our June NSL Workshops are underway! These will be hosted in cafes and led by your team leader and a member or two of Teams & People! Attendance is required. Please take a look at your team's NSL Workshop time and closing details below. For the applicable cafes(*), please hang your closing early signage one week in advance.

In lieu of food provided during the workshop, each team is encouraged to use a portion of their Team Celebrations budget (e.g. Team Leaders order pizza) to enjoy food & hangs afterwards. Please reach out to your Team Leader, Karen Strange, or Teams & People if you have any questions. We look forward to seeing you all soon!

JULY PAY & PERFORMANCE REVIEWS: Team Leaders! Believe it or not - it's time to start planning for and scheduling our next round of Pay & Performance Reviews! We've still got some time before sitting down for actual P&P's, but are ready to do the prep work of scheduling rubric completion and goal review in support of thoughtful and collaborative time spent together. Please utilize the P&P Tear Sheet checklist to help you complete all reviews by July 31st and reach out to Rachel Perik (rperik@stonecreekcoffee.com) with any questions.

6/27 THERE AND BACK AGAIN MY BREW

Short Run

8oz: \$10.00

- This My Brew is brought to you by Joe Steiner, our Barista Educator
- A note from Joe: *I enjoy making, whether coffee or art, because of the creative journey. As exciting as it is to envision the end product, the most gratifying aspect is the unexpected decision-making along the way. When considering my own blend, I wanted to create a profile that would be highlighted through manual brewing methods. I enjoy the bright, floral flavors of Ethiopian coffees, and I'm excited to pair those with big, fruity flavors from Guatemala. Given the opportunity to travel to Antigua, Guatemala with Stone Creek Coffee and experience coffee at its source, it felt personal to include a coffee that embodies "There and Back Again."*
- Cafes will brew this as COD on launch day! Each cafe will order bulk for COD. Brew this until you run out.
- Check your 1/2lb short run price tag stock. Order more if needed!
- Check your inventory of velcro. Order more if needed!
- When the COD signs arrive in cafe add velcro to the back of the signs. Be sure to match up the appropriate side of the velcro in the right spots on each sign. You should only need about two 1in pieces of velcro for each COD sign.
